

BIBLIOTHEK FÜR LUFTSCHIFFAHT UND FLUGTECHNIK 4

The background of the cover is a dark, textured blue. In the center, the Eiffel Tower is depicted in a lighter blue, semi-transparent style. Below it, a bridge with a train crossing it is shown in a similar style. The train consists of several yellow and brown cars. Above the tower, three different types of aircraft are shown in flight: a biplane on the left, a multi-engine propeller plane at the top, and a single-engine propeller plane on the right. At the bottom, a small boat is visible on the water.
