*Dialing Hungary
is now as simple as
egy, kettő, három!*

Now you can dial the call yourself... and save money too!

AT&T's new dial service to Hungary makes it so easy to stay in close touch with the ones you love. Just follow these three simple steps:

- 1. Dial 011**
*(International Access Code).**

- 2. Dial 36**
(Hungary Country Code).

- 3. Dial the city code and the local number.**

City Codes

Budapest	1	Gyor	96
Miskolc	46	Szekesfehervar	22
Debrecen	52	Nyiregyhaza	42
Szeged	62	Szombathely	95
Pecs	72	Szolnok	56

That's all there is to it! No more waiting for the operator to get back to you. If circuits are busy, you decide when to call again.

And now, you'll not only save time... you'll save money. When you dial the call yourself, you qualify for AT&T's special low dial rates. Just compare these rates with what you have paid in the past:

Rate Periods (Your local time)	First Minute	Additional Minute	Sample 3 Minute Call
Economy Rate (6pm-7am)	\$1.42	\$.80	\$3.02
Discount Rate (1pm-6pm)	\$1.78	\$1.00	\$3.78
Standard Rate (7am-1pm)	\$2.37	\$1.33	\$5.03

All three rates are in effect every day of the week.

Rate is determined by the time of day at the originating telephone.

To determine the best time to call, simply add the hours under your time zone to your local Standard Time.

EST	CST	MST	PST
6	7	8	9

The next time you long to hear the familiar voices of family and friends in Hungary, don't dial the operator. Dial the call yourself. It's the easy, inexpensive way to stay in touch.
