Dear Prof. Röntgen,

When I wrote to you thanking you for your kindness in sending me your paper and the photographs which accompanied it I had only seen the photographs and had not had time to read the paper. I need not tell you that when I read the paper I was very much astonished and delighted. I can say no more just now than to congratulate you warmly on the great discovery you have made and to renew my thanks to you for your kindness in so early sending me your paper and the photographs.

Believe me,
Yours very truly,

Kelvin
